33 in attendance

Meeting started at 735pm

Thanks everyone for being here.

Derek:

Derek introduced Adam, new color guard director

Bianca Wallace has moved to Broken Arrow HS in Oklahoma. Adam Faircloth joins us from Brownsburg HS. Previously from Zionsville. Really excited to have Adam with us.

Today is 2nd day of guard auditions. Adam will have a school email address:

adam.faircloth@ftcsc.org

For next year, new, would like to host a marching band competition and a winter guard competition. The more events we host, while it's a lot of work/volunteers, it's better than a ton of fundraisers. Should know about marching band competition close to end of school year. Nothing will be more hectic than what we currently have hosted (IPA/WGI).

Thursday is incoming freshman meeting. Currently have 102 potential incoming students. Without guard, ECA, 189 band students (current), 244 with guard (current), potentially 232 band students. Wind Ensemble will stay about the same. Concert band will be 50-55 students.

Next year, at MS, band/orchestra will go to every day classes.
