The Band Booster Club of Franklin Central High School will host a minimum of two events, an Indoor Percussion Association (IPA) contest and a 2-day Winter Guard International (WGI) Percussion Regional. Groups from all over the Midwest, and sometimes beyond, participate in these events every year. With attendance exceeding 5,000 at each event, the booster club is honored to host these prestigious events. However, it requires the help of its members. Therefore, the booster club requests that you or another designated adult, a minimum of 18 years of age and graduated from high school, volunteer for at least 1 position and shift at these events. Please reserve these dates as they become known and sign up for a shift as soon as the schedule is made available.

FCHS Band Program students are required to work group fundraisers to help fund the group’s efforts. Ground fundraisers are extremely important. The money raised from these events helps to lower fees.

The Band Booster Club of Franklin Central High School wants to ensure that all students are given the opportunity to participate in this group. The boosters understand extenuating circumstances may arise regarding this financial agreement. It is your responsibility to contact the treasurer at treasurer@fcbands.org prior to the payment due date if payment will be delayed.

Acknowledgement of these policies and procedures and agreeing to adhere to them are completed online at the following website:
