State Semis Scoring System

Regional A

- Semi-Finals utilize a “rolling score” format to determine advancement
- Scores will be posted in the building at the conclusion of each round for spectators and performers to view throughout the day
- Once all scores are in...
 - **Regional A** - the top 16 scores, regardless of round, will advance to State Finals

Classes A, Open, & World

- The need for Semi-Finals is based on the number of groups in each class. Class A, Open, and World do not have enough groups to require a Semi-Finals event.
