

Franklin Central Band Boosters

Volunteer Responsibilities – Backside Curtain (Groups & Props)

Backside Curtain volunteers are responsible for letting groups and their props enter the performance area at their designated time. Volunteers will be in communication with the Timers of the event who provide instructions on how they would like things to run.

Responsibilities include:

- Holding groups in the back hallway while they wait to perform
- Opening and closing the curtains
- Checking for badges, stamps, or wristbands of anyone accompanying the groups to ensure they are all allowed to enter the performance area.
- Keeping the back hallway area quiet during performances
- You can also provide encouragement to nervous performers waiting to go on!
