Volunteer Responsibilities – Equipment Holding (Load & Release)

Equipment Holding volunteers are responsible for ensuring a smooth and efficient load and release of all performing groups and their equipment.

Responsibilities include:

- Greet groups as they arrive
- Grant access to the holding area at scheduled time
- Direct groups to their holding area
- Assist/answer any questions from directors or groups
- Facilitate movement of groups through the holding area
- Notify groups at their release time to move on to the next area
