

Orlando Trip FAQs

1. My student is not in the marching band. Can my student still attend?

Yes! The trip is open to all students in a band class or in the color guard.

2. My student is involved in Indoor Percussion / Winter Guard. Will my student miss any competitions?

No! The trip has been planned around our winter activities so no one misses out!

3. Are parents needed as chaperones? Will parents need to have a background check?

Yes! We will need parents to chaperone the trip. All chaperones must have a completed background check on file. Click [here](#) for information on how to complete your background check through SafeVisitor.

4. Can non-band siblings go on the trip?

Possibly. If we are in need of extra numbers to fill out the buses to bring down the cost of the trip for everyone we may be able to accommodate non-band siblings. Please email Mr. Cooper the names and relationships to the participating student for any siblings you wish to bring along.

5. Can the money in my band account pay for the trip?

Yes! Please note, your band fees must be paid in full before any funds from your account can be applied toward the trip.

6. Will there be any individual fundraisers to help with the cost?

Yes! There will be a number of fundraising opportunities throughout the fall and winter that you can take advantage of, as well as our ongoing fundraising opportunity through ShopWithScrip. Please note, all monies raised will first be applied to outstanding band fees before they are applied to the trip.
