

Our first concert of the season is Tuesday, September 25, 7pm, in Robert Mason Auditorium. Guests should enter the auditorium/natatorium entrance. Performers need to arrive no later than 6:30 pm and should enter through the band doors. Please remember that concerts are required events for ALL performers, and everyone should expect to stay through the end of the concert.

A required dress rehearsal with **ONLY** members of concert band, symphonic band, and percussion will be held on Monday, September 24, from 3-5pm.

I have included at the end of this message information regarding required attire for each band. Students in Wind Symphony and Wind Ensemble will be fitted for their tuxedos and dresses in the coming days during band class. Those students will receive a uniform agreement which will need to be reviewed and signed by a parent/guardian.

You will receive several additional reminders in the days leading up to the rehearsal and the concert. If you have any questions, I encourage you to reach out. I'm looking forward to another outstanding concert!
